

Nurturing the Love of Learning Through Parental Choice

Dear Parents/Guardians:

This letter is to let you know that:

- Outside organizations such as **military recruiters/Department of Defense; institutions of higher learning; parent groups; and prospective employers**, may have access to your child(ren)'s student directory information. This information could include: Pupil's name, address, phone number, e-mail address, photographs, birth date, birthplace, major course of study, participation in school activities, dates of attendance, degrees and awards received, previous school attended, and height and weight of athletes.
- **You have the right** to withhold your child's student directory information from these people and organizations, if you so choose.

Federal Law (No Child Left Behind, Section 9528) **requires schools to disclose** names and addresses of students in grades 9-12 to military recruiters and to institutions of higher learning, if so requested. **The same law also allows you to choose NOT** to have the information disclosed.

If it is OK for Forest Charter School to release directory information, you do NOT need to take action.

If you do NOT want Forest Charter School to release such information, you MUST sign the statement below and return it to the school office.

If you have any questions, please contact the school office at 530-265-4823.
